Minutes of May 25, 2011 were approved as presented.

Old Business

Town Plan – A photo for the cover was discussed, Holt believes he has one from “Fair Day” that may be good, LeCours and DeSiervo also have pictures of the common that may work, we will discuss this further at our next meeting.

LeCours had the quote from Howard Printing and is waiting on the quote from Prospect Printing; we should have both quotes by next meeting and will decide at that point. LeCours will also call WRC for more maps or have them sent to printer electronically with the rest of the plan.

Listers – Mike Bills sent a copy of the form that the listers may send out to homeowners of Townshend. We discussed the form and decided to invite Bills to meet with us for more information.

Select Board – Hedy Harris called John Evans to ask if he would serve on a committee to discuss how Townshend does and should handle trash removal. Evans accepted and will keep us up to date on those discussions.

Dynamic Stripping – Evans talked with Bill Joyce about the stripping on Rte 30, he will follow up on this.

A motion was made by LeCours to adjourn and seconded by Holt; unanimous agreement brought the meeting to a close at 8:15 PM.

Our next meeting will be on June 22, 2011 at 7:15 PM.

Respectfully submitted,
Susan LeCours, clerk
